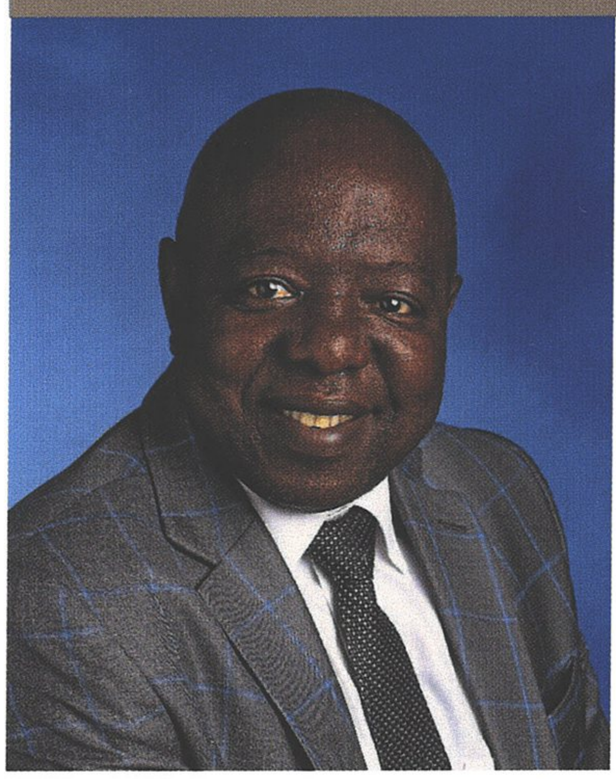
Administration



Dr. Manday Gala
Principal

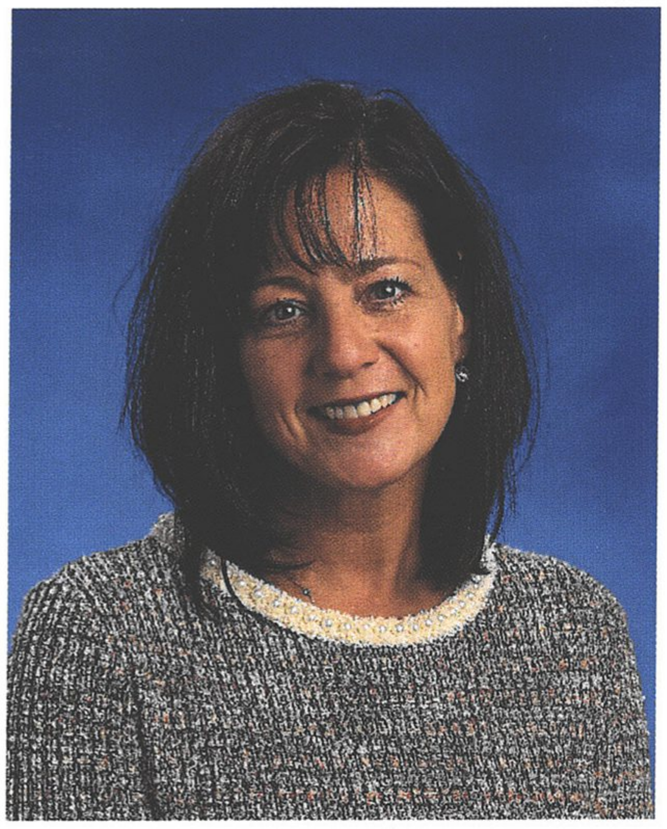
To say that this school year has been an interesting one would be a gross underestimation of the changes we have had to overcome as students, parents, community and professionals. I would therefore start by thanking our admin team for working together to build our confidence with online learning so as to successfully support the learning of staff and students.

Let me now recognize the amazing work done by staff within a short time to not only learn online platforms but for caring and nurturing the growth of students on these platforms. We know about, and unreservedly, commend the effort of staff who went far beyond the call of duty to ensure that students learned. The positive energy among staff fueled a lot of collaboration and mentoring which led to everyone becoming successful with online learning. I want to especially thank our support staff who served as the glue which kept everybody and everything working in synch.

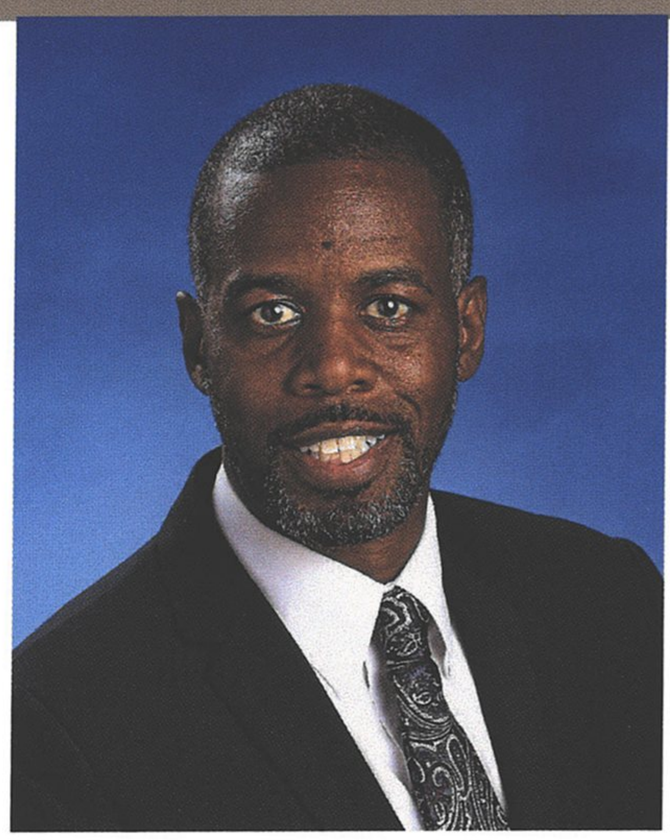
I can never say enough about our amazing students. Despite the fact that many of you did not have devices and were ill-prepared for internet learning, you kept up with the work and showed enormous patience when we were not quick enough in responding to your questions or providing you with devices. My very best moments were when some of you contacted me asking for me to either get work for you or connect you with your teachers. You took responsibility for your learning when the pandemic gave you every reason not to. I thank you all for that.

I would like to also thank our parents/guardians for their patience. We thank you for advocating for and keeping your children on task. We recognize that many of you had to support the learning of more than one child. The success of students is a testament to the amazing work you did. Let me end by saying a big thank you to the Toronto District School Board for excellent leadership and support.

Hello Westview! I write this from home – where we have all had to spend most of the second half of this school year. I will say that I have truly missed my 'other home' this year – WESTVIEW! I really missed seeing you all in the halls and talking with you in person. This year was my second year as a Vice-Principal at Westview and all my learning and growing has come from all of you. The energy within the Westview community is inspiring and the students and staff continue to teach me and inspire me every day. I wish you all a safe and healthy summer and I truly can't wait to see you all again SOON!



Ms. Karen Lorenczi
Vice Principal



Mr. Jeffrey Caton
Vice Principal

Westview is an extraordinary place to learn and work. The reason is that our students make this school an exciting place of learning and our staff work to support our students' learning desires. Every year when our incoming grade 9's start school, they create a growing dynamic that renews the school spirit. This year was no exception. I am pleased to see the future of Westview full of life. Our grade 10 and 11 cohorts made great strides in their academic achievement and have made their mark on Westview's rich student culture. As our graduating students leave us and begin a new journey they will make their presence known in the wider community and in the new spaces they will fill. Congratulations to all Westview students and staff for a successful year of learning and fun. I look forward to the 2020-2021 school year no matter how we will come together – virtually, in person, or a mix of both. I truly wish everyone a happy and healthy summer break.

It has been my pleasure to serve the students, staff and families at Westview Centennial Secondary School. In my professional journey, I have learnt that our actions, implicit and explicit, all collectively impact others. These lessons awaken our critical consciousness and are the product of many success stories within our Westview community. This collective spirit of hardwork and perseverance to achieve excellence is what allows us to aspire for greatness.
Education is a key foundational block, but another equally important block is humility. Critical reflection allows us to examine issues, but one must always try to understand the individual voices. Although some situations are complicated, we can never give up brainstorming and implementing creative solutions.
I want to thank the students, staff and families who have allowed me to co-learn with them. I have enjoyed the laughter and stories that each day brings. These moments have shaped my administration journey and reignite my commitment to outcomes that focus on ensuring accountability, equity, transparency and high academic standards.

Ms. Nandanee Sawh
Vice Principal

WILDCATS SPIR

A WEEK OF WILDCAT ENERGY

This year Spirit Week was about fun and creativity. Each day had a different theme: Meme Day Monday, 2000 Tuesdays, Way Back Wednesdays, and Dress Down Day Thursday. The week ended with the Fall Dance on Friday. Students were able to explore their sense of style and enjoy it with friends. The week was filled with laughter and excitement from students and teachers alike. Wildcat spirit showed up by taking inspiration from the '90s for Wayback Wednesdays. One stude came dressed as Will from Fresh Prince of Be-lair, and others, the 90's boy band, Back Street Boys. On 2000 Tuesday students brought back bell-bottoms, low cut jeans, and hair accessories which made the experience nostalgic. On Meme Day Monday we saw Internet sensations such as " she doesn't go here", and the Ponytail Meme. Many memorable moments were had that the class of 2020 will not soon forget.

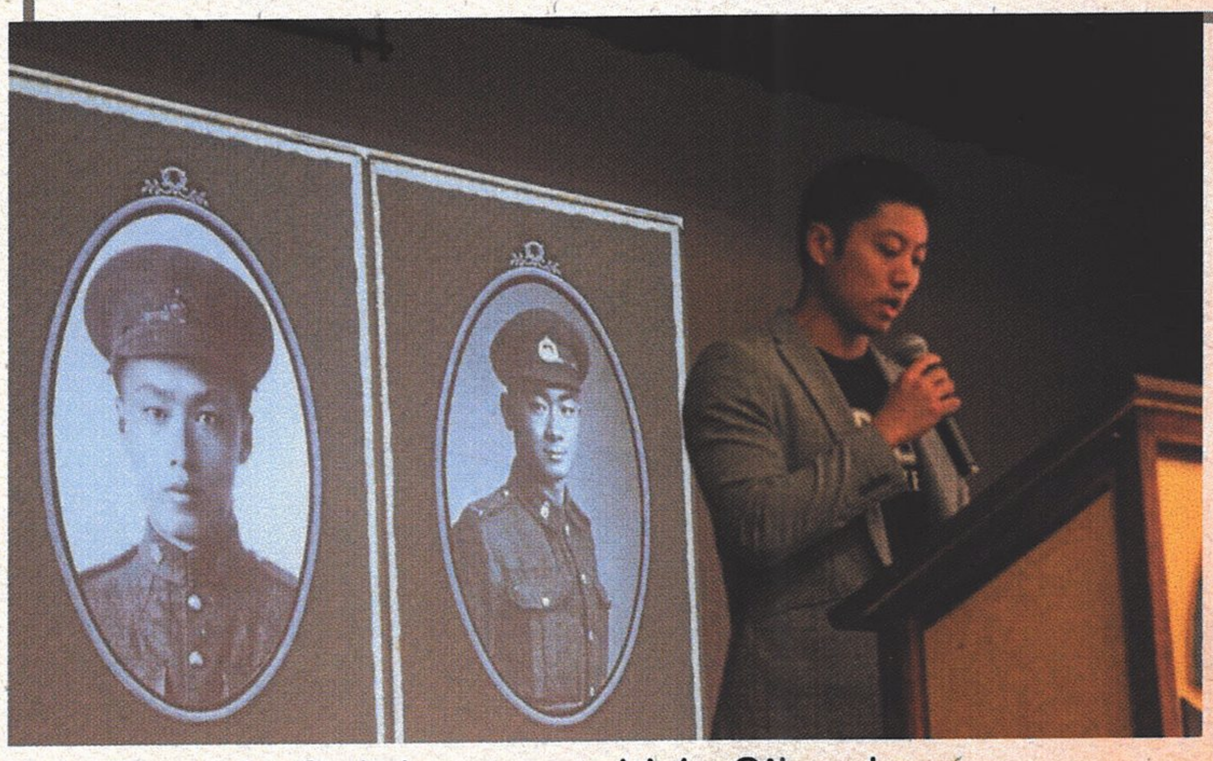
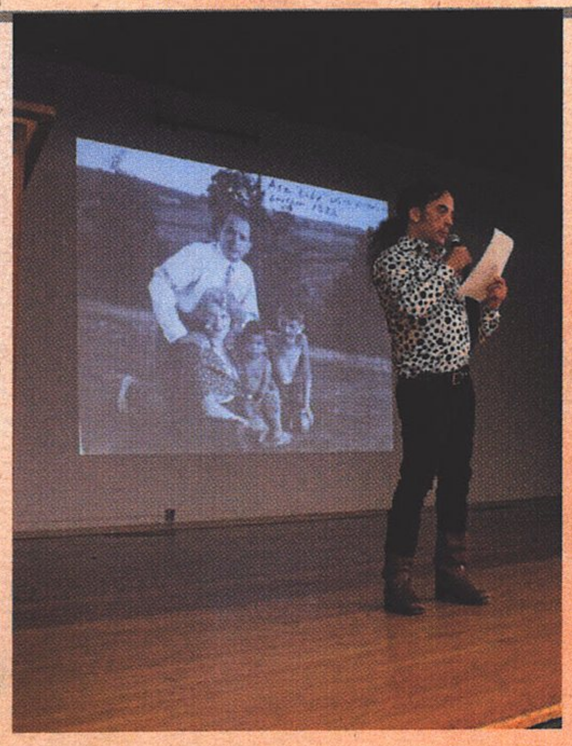
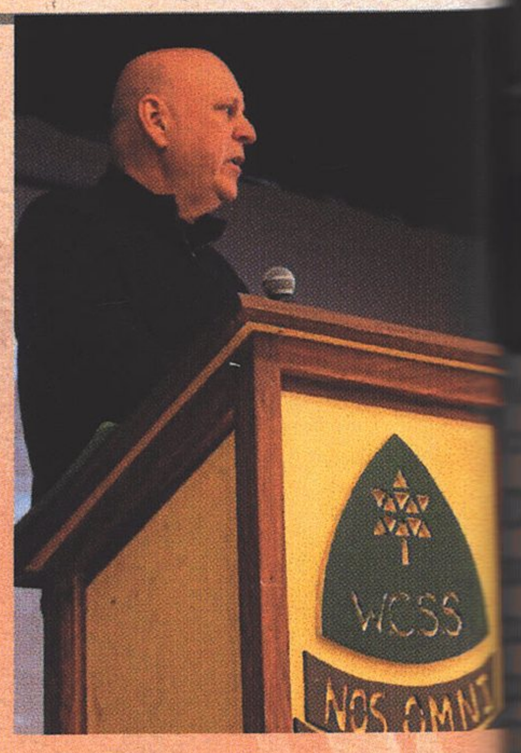
REMEMBRANCE DAY

We remember with personal testaments...







Mr. To, Mr. Salzberg and Mr. Silverberg

Christna Comrie performs *Change is Gonna Come* by Sam Cooke.

At the eleventh hour on the eleventh day on the eleven month We stand for a moment of silence to honour our fallen soldiers. and all who have perished in wartime.
At Westview, the consequences of World War II was made starkly visible by Mr Saltzberg and Mr. Silverberg. Both teachers recounted their family's unbearable losses during the Holocaust. Their testament reminds us all why we remember. Moving tributes were paid with solemn performances by Ms. Backman's vocal class and Westview's dancers.

Ms. Backman's vocal class perform "You are Not Alone" by Michael Jackson.

Dance students, Jolenny Guzman, Christina Comrie, Elaine Nguyen, and Stacy-Ann Bogle perform to the song "Angel by The Wings".

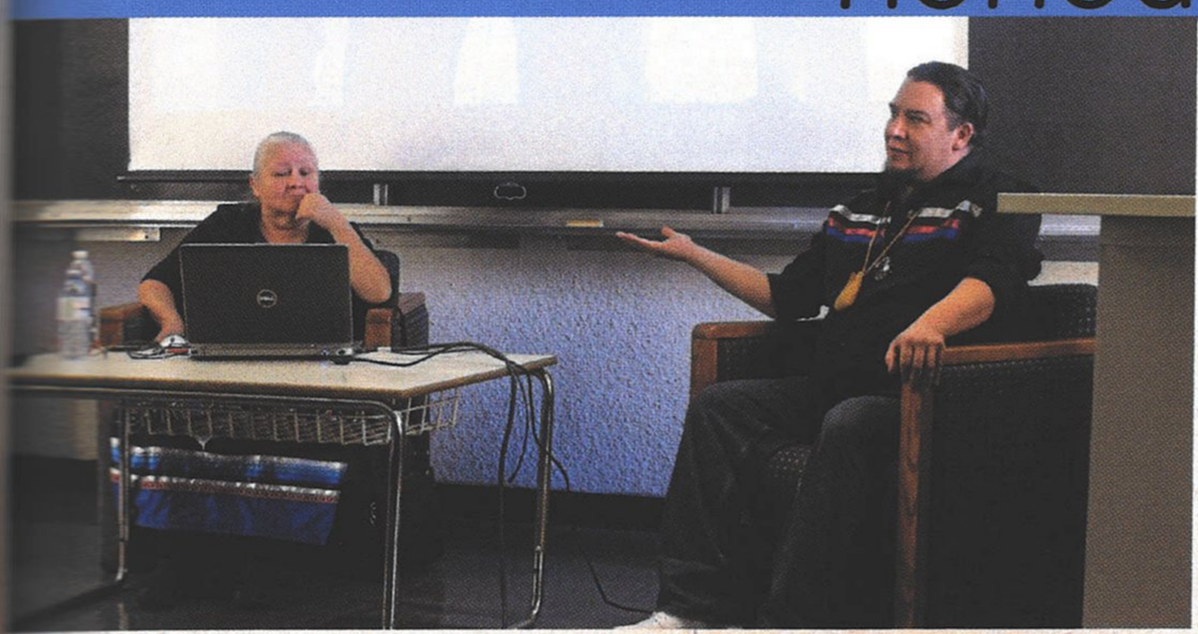
honours Indigenous month



Ms Karen Chalfour and her son visit the lecture theatre on Friday November 8, 2019

Common Objiway/Anishnabe words and their meanings:

Aaniin: greetings, hello

Boozoo: greetings, hello

These two words are often said together when greeting someone

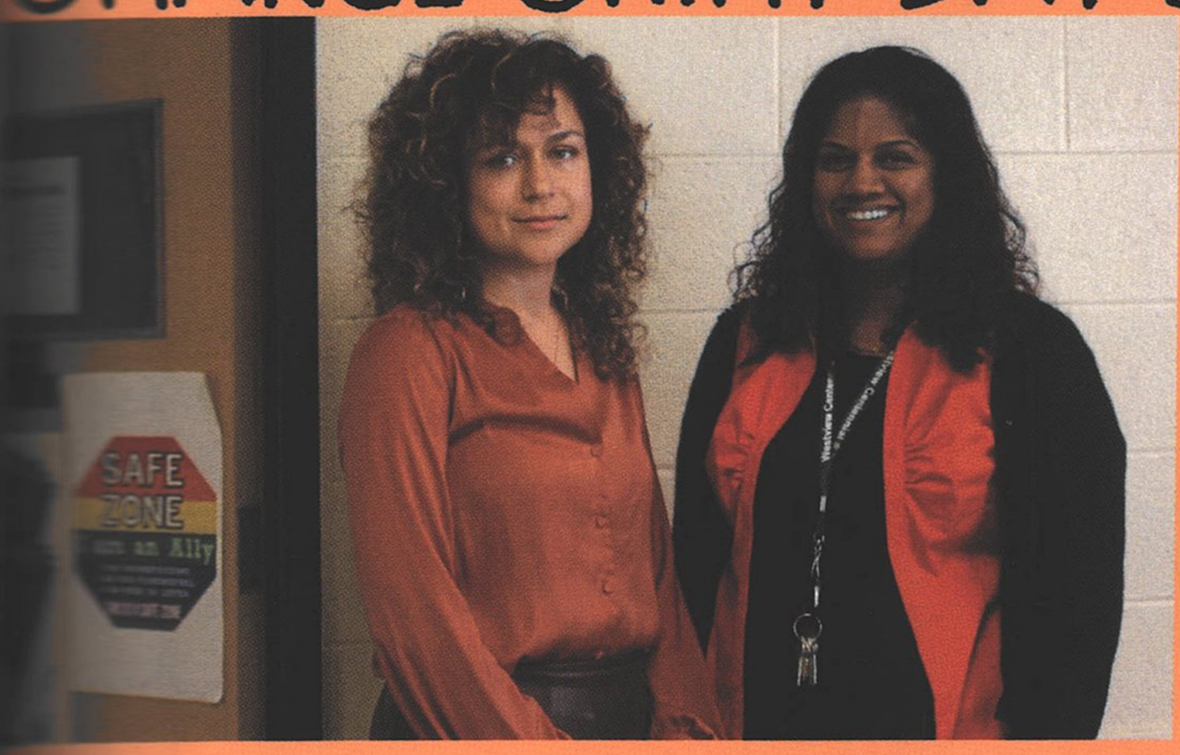
The Ojibwe People's Dictionary uses the Double-Vowel alphabet to write Ojibwe words. This alphabet has become the standard writing system for Ojibwe in the United States and some parts of Canada.

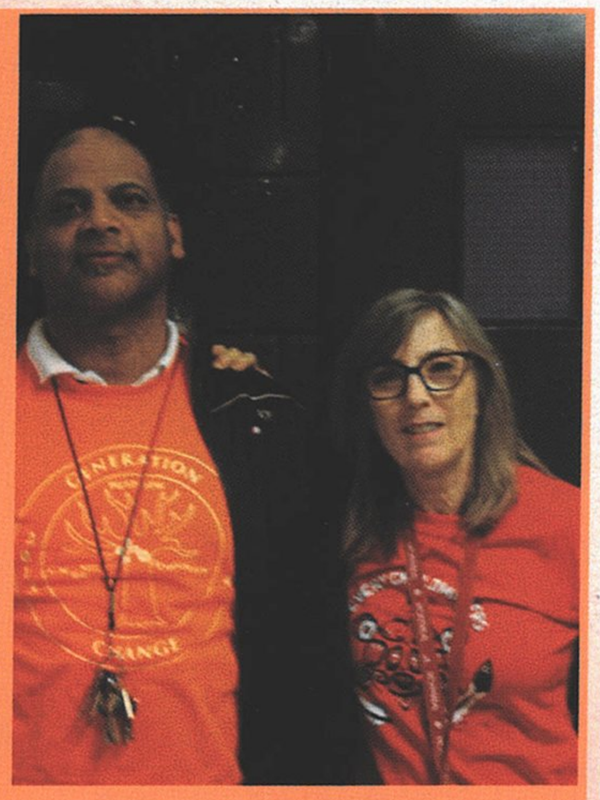
https://ojibwe.lib.umn.edu/about

During Indigenous Month in November we were fortunate to have as our main event. residential school survivor Karen Chalfour and her son visit. Students were able to hear a first hand account about the legacy of residential schools and it's devastating impact on Canada's Indigenous population.

Other events included a weekly film screening and a sobering hallway walk through of a gallery of missing and murdered women created by Ms. Issacs and her class. And then there was the smell of bannock baking from Ms. Koshy's kitchen.

Orange Shirt Day spreads the word





WHY Orange Shirt day you ask?

Every September 30th people throughout the country wear an orange shirt. **Orange Shirt Day** began in 2013 as a result of survivor Phyllis Jack Webstad's experience at a residential school. Sadly on her first day of attending St. Joseph Mission School in Williams Lake, British Columbia. Phyllis had her shirt taken away from her. She was only six years old. Her story is a reminder of the tragic conditions indigenous children had to endure.

SEMI-FORMAL

A Sweet Night in Candy Land

Casa Ricca Banquet Hall was the venue for this year's semi-formal held on December 5th and organized by student council led by Mr. To. The Candyland theme was well represented by the SWEET table settings. DJ Dem Daug was turning out the tunes so that the dance floor was crowded! All grades were welcome to attend.

RUNWAYS & RHYTHMS

OUR African Heritage Assembly where students and staff come together was held on Friday February 28th. Performances showcased different cultures and reflected the countries where they came from. The fashion show exhibited elegant clothing from countries with a rich sartorial history.

This year we were treated to a traditional dance called " Esakpaide" performed by our very own Nosa Agbonifo who hails from Benin. It's a dance performed by Royal Chiefs, Dukes and the King. Traditionally, the dancers wear gowns made from coral beads, carry musical gourds in their hands, and move in circles. The dancers move their bodies swiftly in circles accompanied by the rhythmic Ohogho music. The ceremonial sword (Eben), is normally used to perform the dance.

ROBOTICS TEAM

WESTVIEW GEARHEADS 746 FRC

"Our team was and is largely composed of grade 9 and 10 students. A few of the grade 12 auto students joined to help, but they had less robotics experience than those of last year.

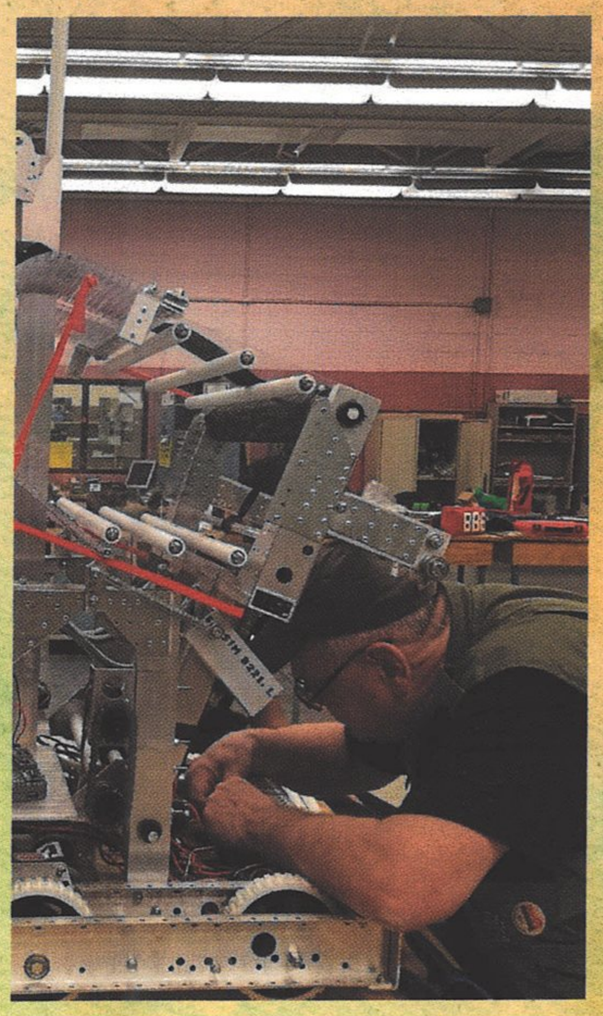
These kids did a great job. By the end of our first competition, we were in 45th the place out of over 300 teams.

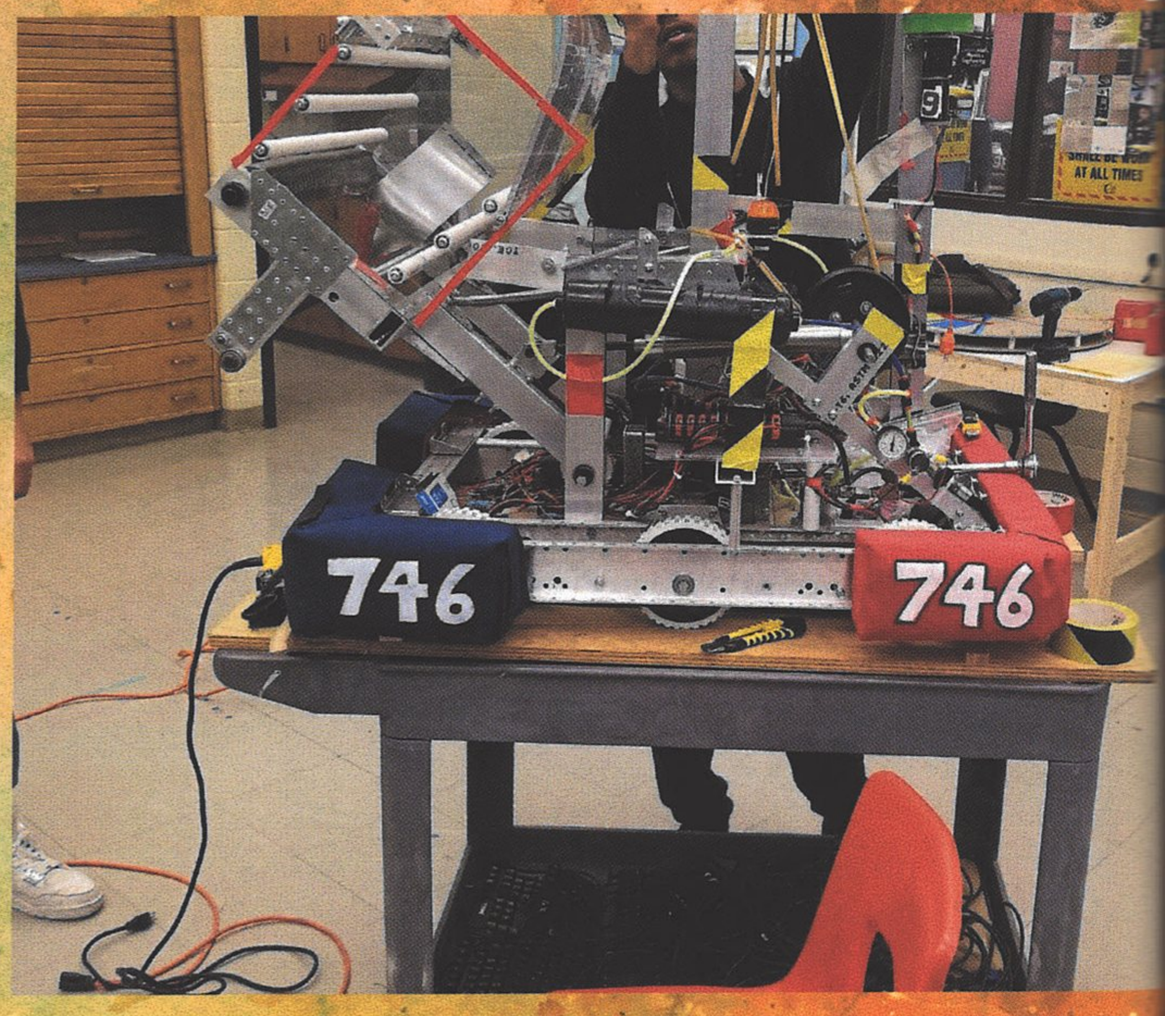
Mr. Brandao and I stayed most evenings with the students to build the robot, but they had no previous experience either.

This was a huge learning curve for all. If it weren't for the mentorship of Mr. Thorne the team likely would not have fielded a robot."

- Mr. Baxter

Robotics team members are
Ahmed Abdullahi, Amarjeet Singh, Andy Yan, Christine Juman, Duran Cocelli,Justin Srirangan,Kevin Doodnath, Kristel Heeralall, Matthew Indardeo, Raita Khan (Raita), Rodney Harry,Sawjana Rafique, Shameela Ali, Trista Juman, Tristan Manguerra, Vishal Ramdhar, Yash Kant



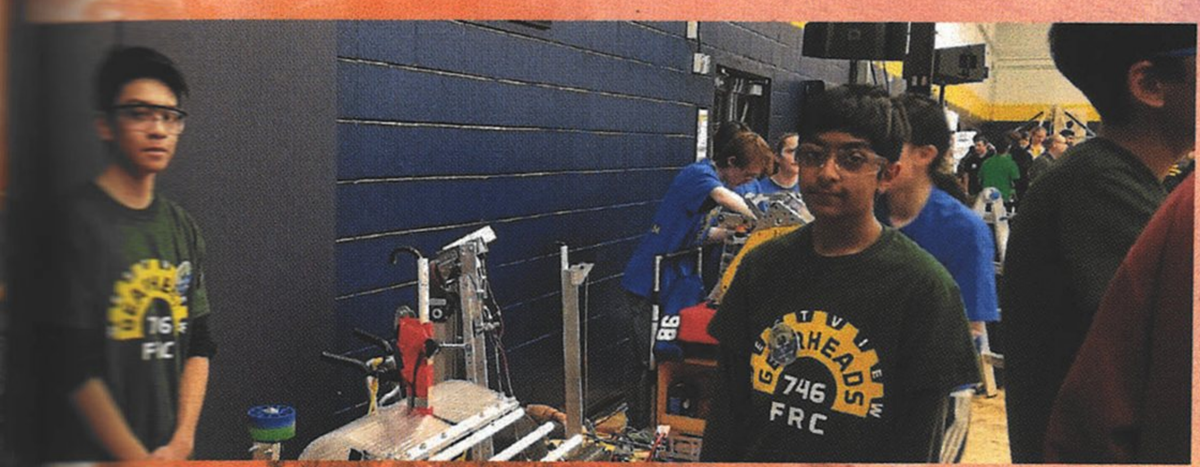


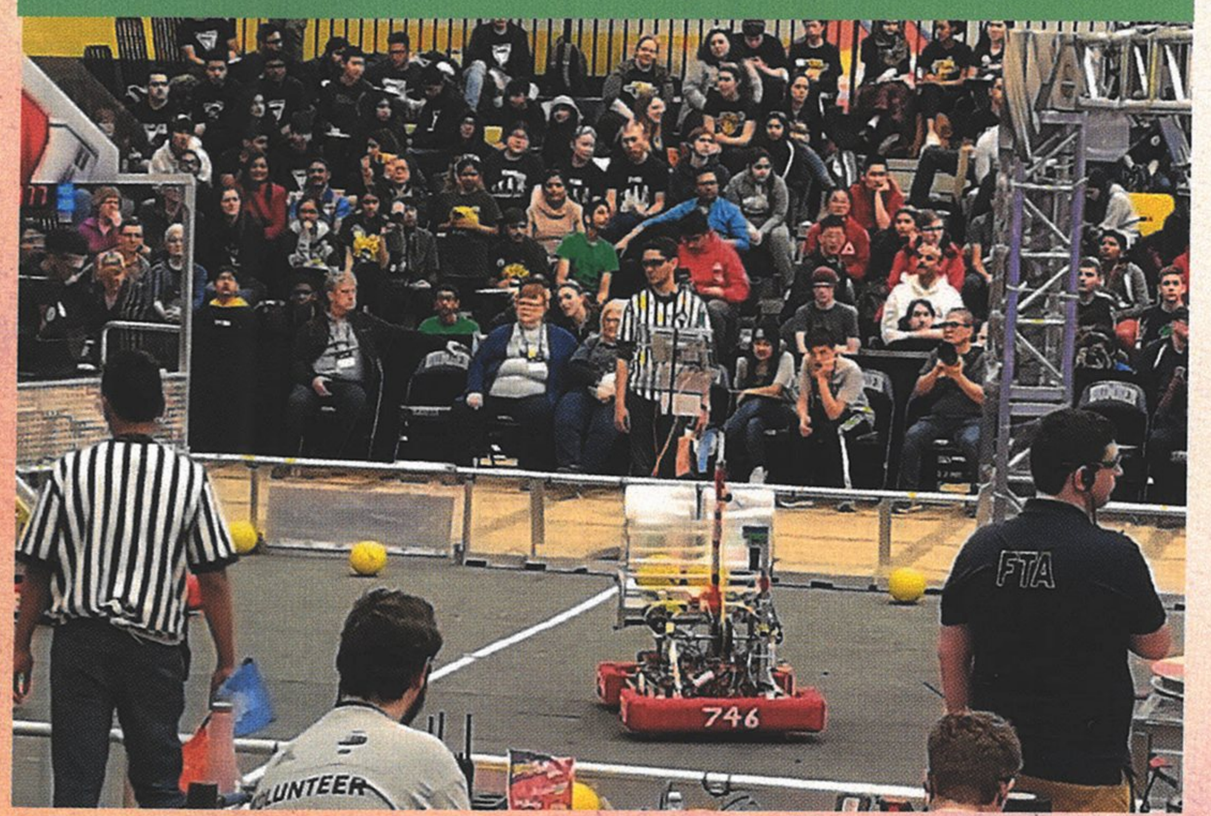
"I am personally very proud of everyone involved in this. It is a important moment for Westview students and staff."
Mr. Baxter

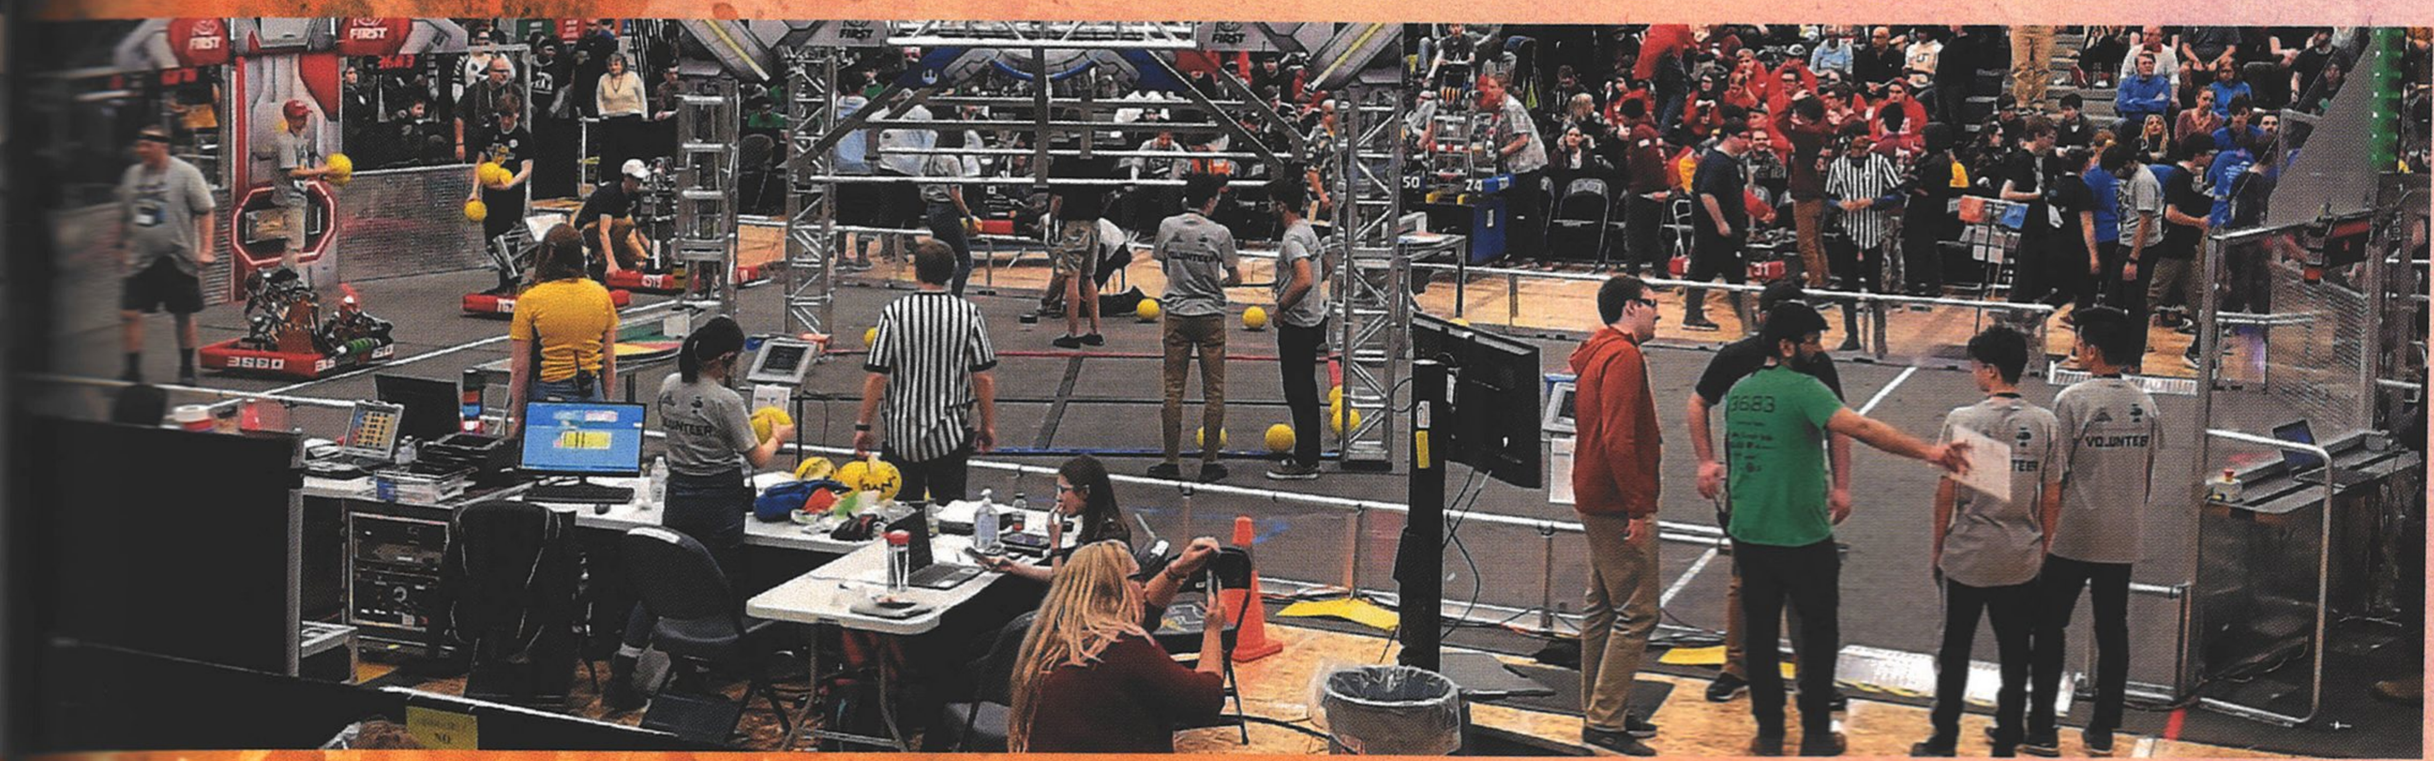
During the first weekend in March the team participated in their first FIRST Robotics Competition called Infinite Recharge at Humber College. The robot had to perform the following tasks:

1. Pick up balls off the floor – 5 max
2. Dump balls into a low goal or throw them into a high goal.
3. Spin a color wheel (wheel of Fortune) and align colors to the pointer.
4. Hang the robot off the ground to "activate a switch"

A few days later the season was brought to a halt as a result of the COVID-19 world wide pandemic.





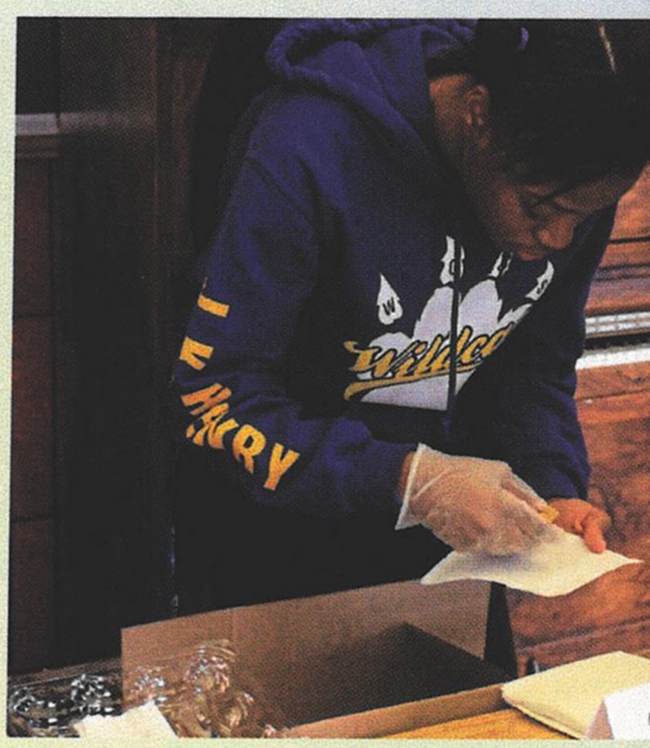


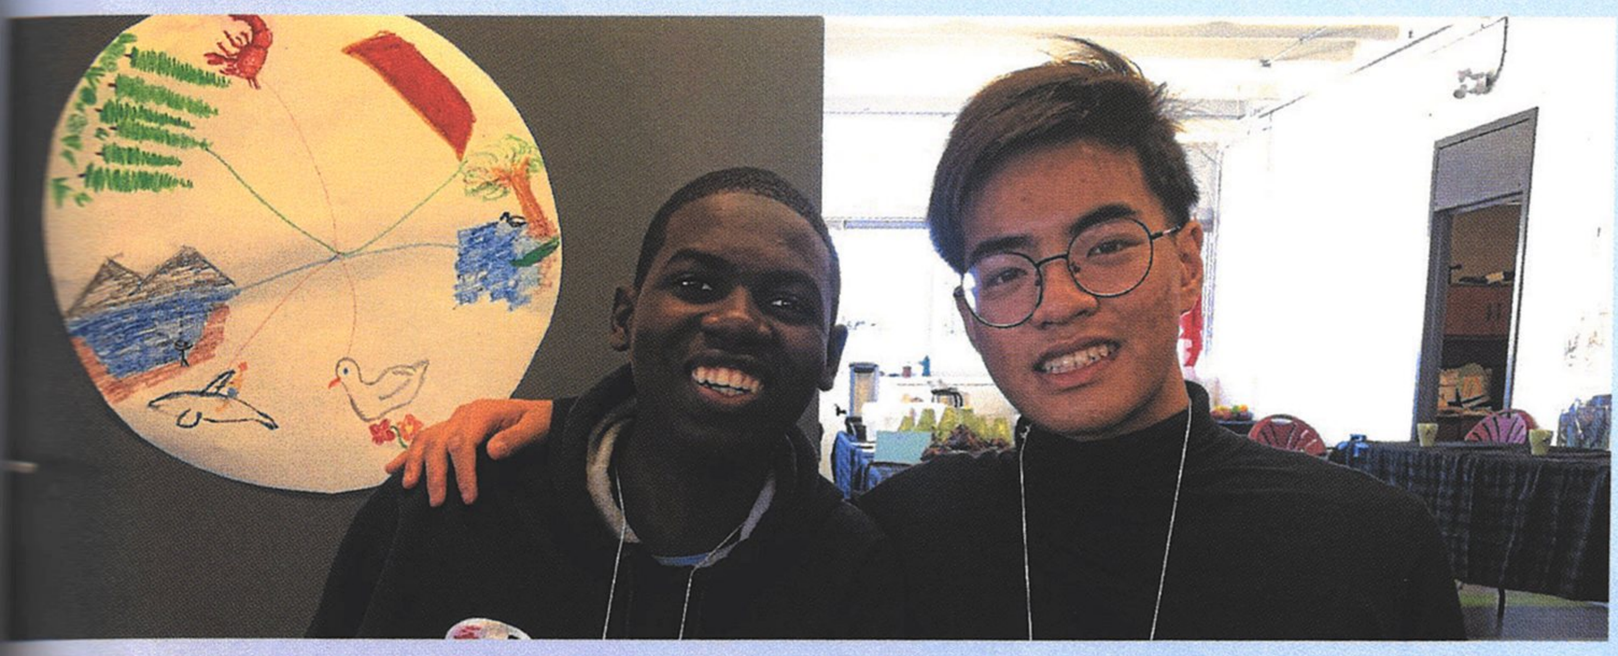
KEEP IT CLEAN :)

Lets Clear Our Path for the Future

The Australian bush fire season also known as the black fire season, had started out with several uncontrollable fires throughout the summer.

The fires began in June in the southeast of the country.
People from around the world have been donating money to help stop the wildfires. Australian comedian, Celeste Barber managed to raise $32 million dollars for the wildfires. Kudos to Westview's Eco Club who held a bake sale in order to donate money to the fundraising effort.





Earth Day turns 50

As of April 22, 2020, Earth Day has reached its 50th anniversary. **Earth Day** usually focuses on a different theme each year. This year's theme just so happens to be climate change. The earth has been getting a lot warmer the past year. This is causing the arctic to melt at a rate of 12.85 percent per decade. This has also impacted the animals that live there since not only are they losing their homes, but hunting for food has become a difficult problem.

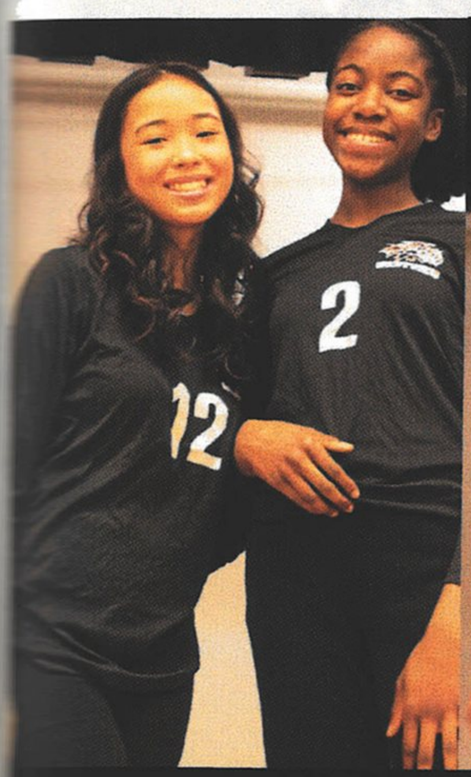
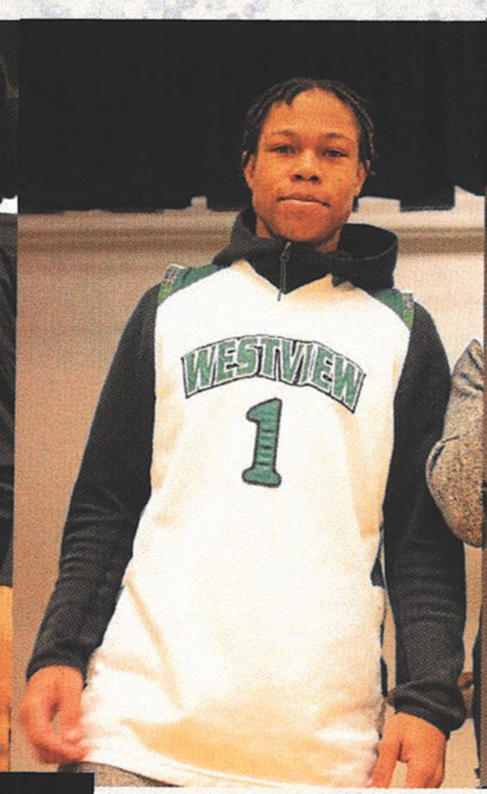
UNIFORM OR REFORM?

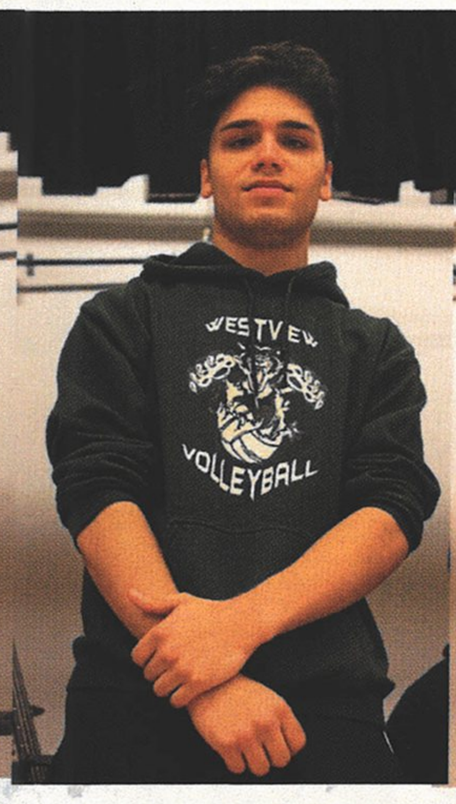
Student Council members discuss the pros and cons of wearing the school uniform.

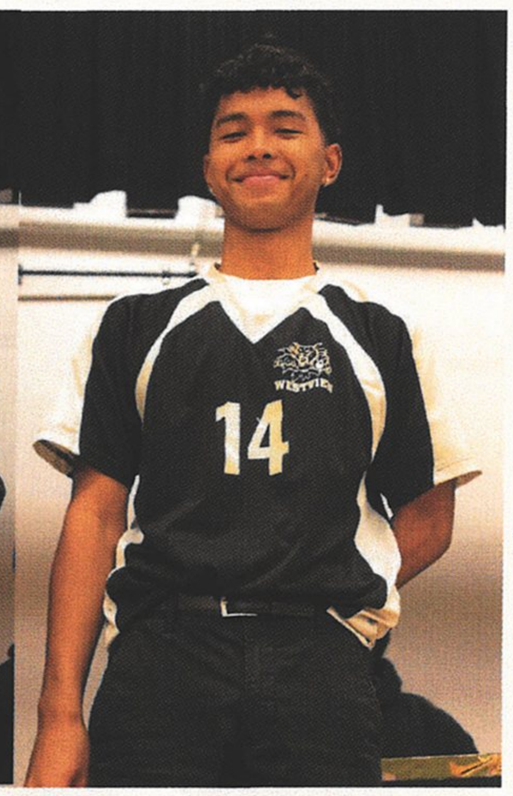
On May 22, 2019 the Toronto District School Board, approved a New Student Dress Code Policy. was changed so that students can feel safe, equitable, welcomed, included and able to express their identity, socio-cultural norms, economic and personal factors.

On November 27, 2019 our school, held an Assembly to discuss the upcoming vote for reforming our Uniform Policy and Dress code. Student Council members shared some of their perspectives and opinions as to why we should keep or dismiss the uniform policy at our school.



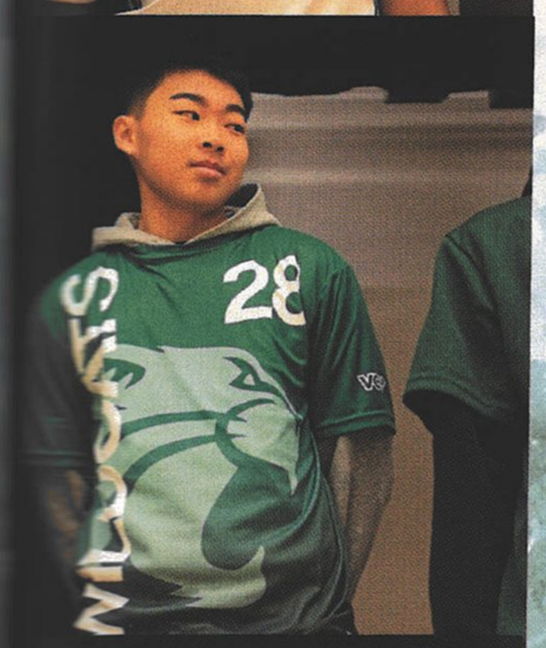






Westview's new athletic wear modeled by some of our fellow female and male athletes.

Mr. Paisley surprised everyone by ending the assembly with a fashion show to showcase the new athletic wear that could be worn as the regular school uniform. The new outfits were displayed to show everyone that our uniform can be fun and stylish. Many said that the reason they didn't like the uniform is because it is too basic or boring for their taste.
Well now the time has come for you to have more options than before!



VOTING DAY

On December 9-10, 2019 students cast their vote on whether to keep or remove the uniform requirement at Westview Centennial Secondary School permanently. Eighty-six percent of Westview students voted. Eight-four percent of the students wanted the uniform dress code to be removed and two percent wanted it to remain in place. Starting in September 2020 the New Uniform Policy will be followed.

Now you know how the majority voted, what was your reason?

FUNNY FUNDS FOR PROM

This year's Prom Committee created this amusing event.

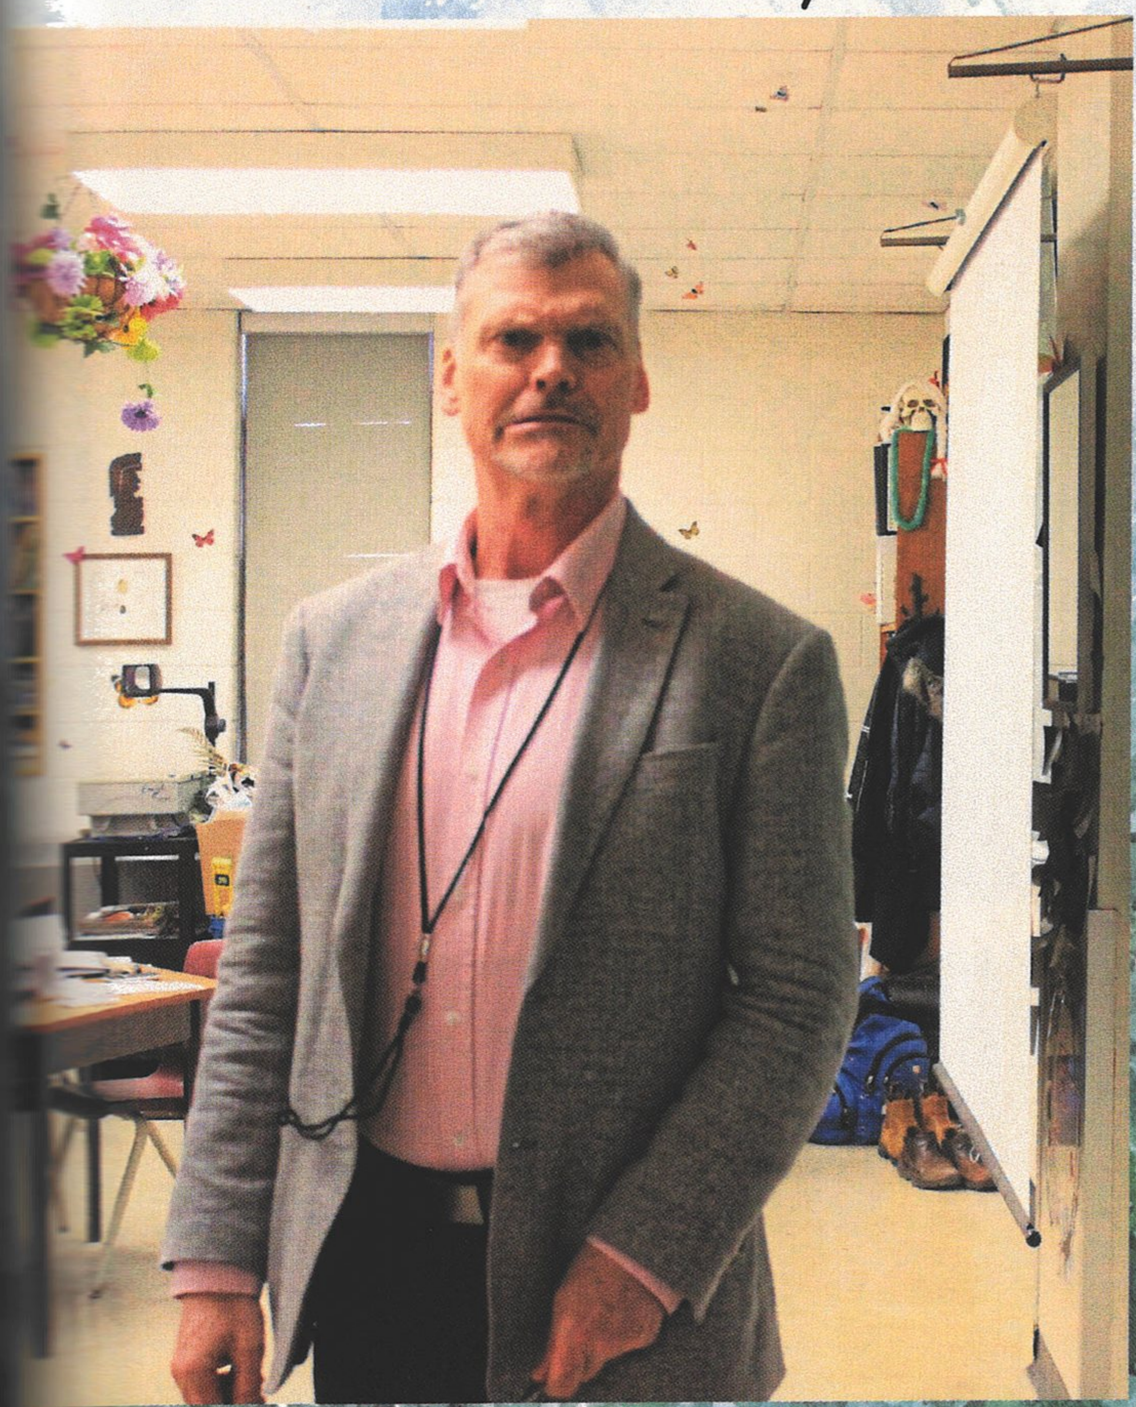
On the second to last Friday in November Mr. Gala and Chris Blackwood were selected as candidates to be taped to a wall.

Students from Prom Committee were dismissed from class early to begin organizing the event in the Cafetorium.

The tape cost just $2.00 for 8 pieces but the outcome? Priceless!

PINK T- SHIRT DAY

On February 26th students and teachers wear pink



Recognized world-wide, this is a day where everyone wears a pink to take a stand against bullying. The day originated in Nova Scotia when David Shepherd and Travis Price bought and gave out 50 pink t-shirts, after a ninth grade student, Chuck McNeill was bullied for wearing a pink shirt on the first day of school.

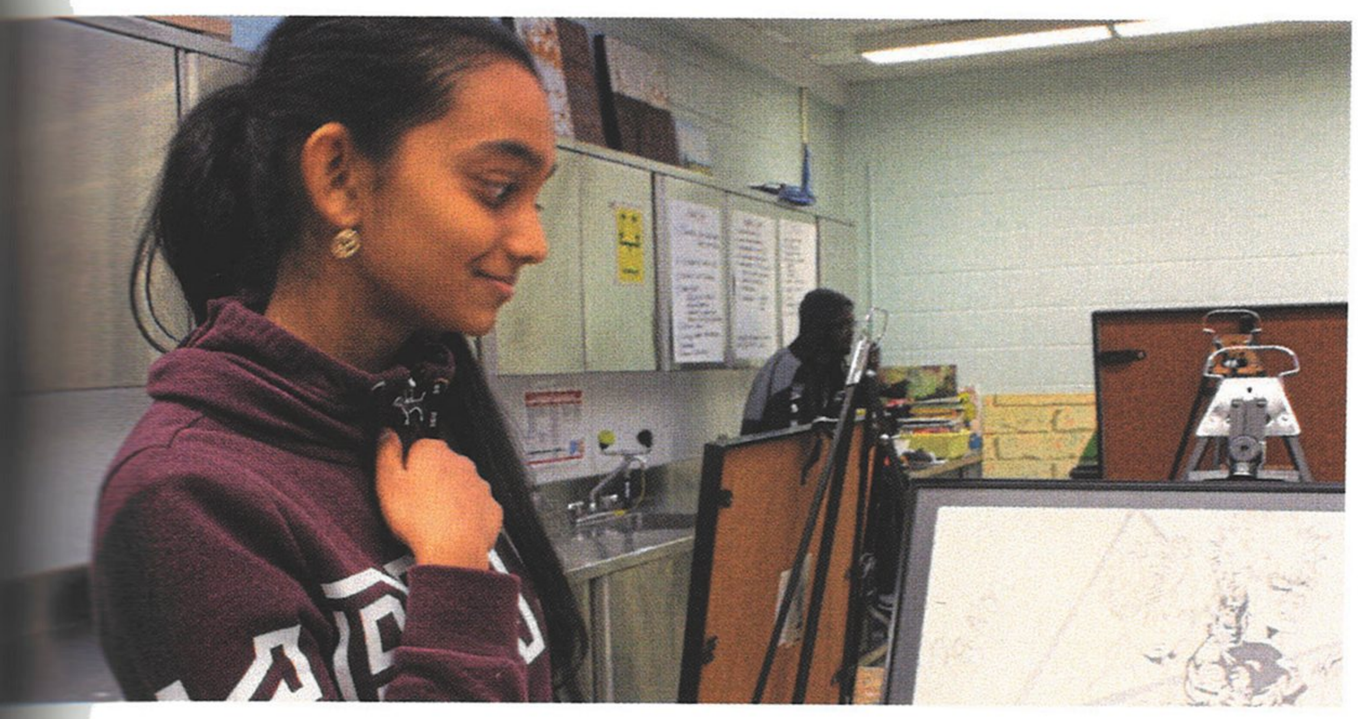
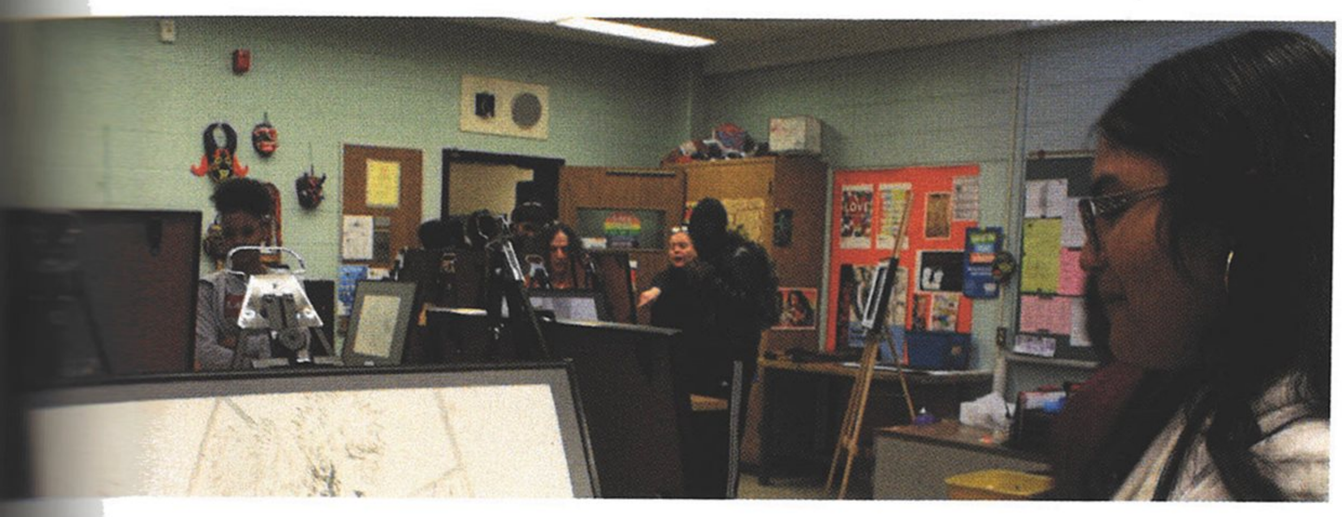
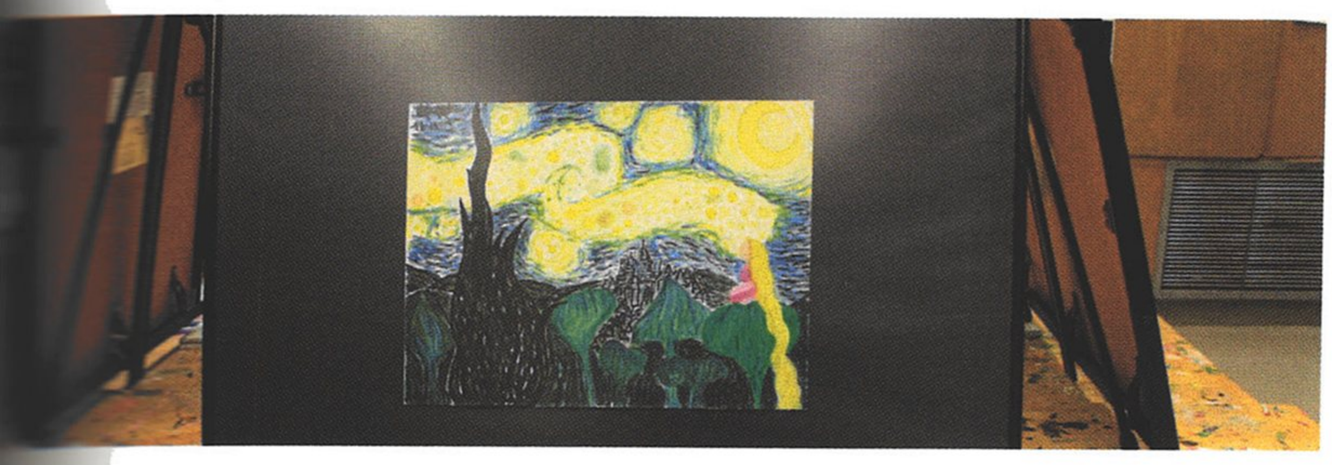
"There are no mistakes, just happy little accidents."
–Bob Ross







In December, Ms. Alexandrova's grade 12 art class put together an art exhibit in room 128.' It featured all the mediums of art, including digital, drawing, painting, and scratch art. Artists were told to bring one or more pieces to exhibit their talents, and many of their pieces would be used as content for their portfolios. Classes were invited to walk through the space and provide positive criticism in the notepads placed next to each work of art. The show was well attended, evidenced by the many positive comments left behind by the enthusiastic audience.

LEARNING TO TAKE THE LEAD AT THE Etobicoke Outdoor Education Centre

In October, our very own Wildcat leaders -in training- attended a three day field trip to the Etobicoke Outdoor Education Centre. Participants engaged in leadership training along with students from Runnymede, Malvern and Forest Hill Collegiate.

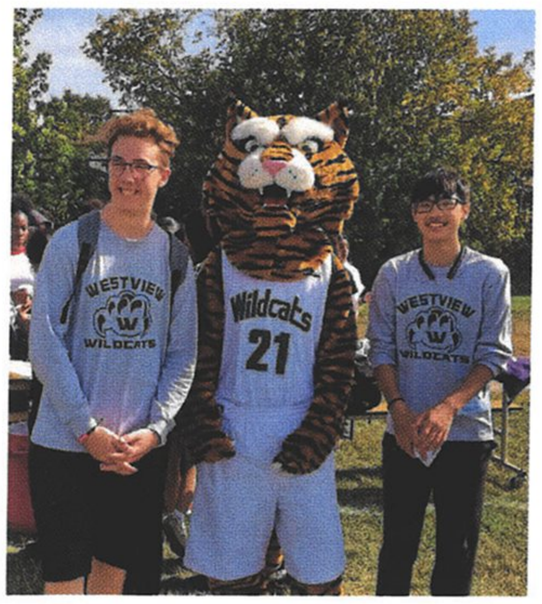
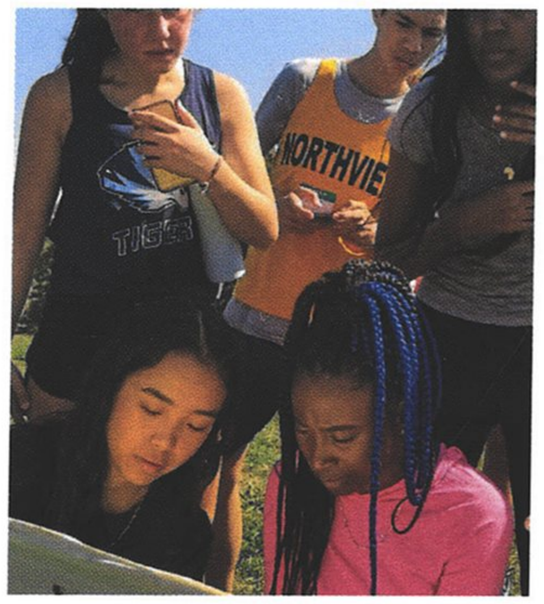
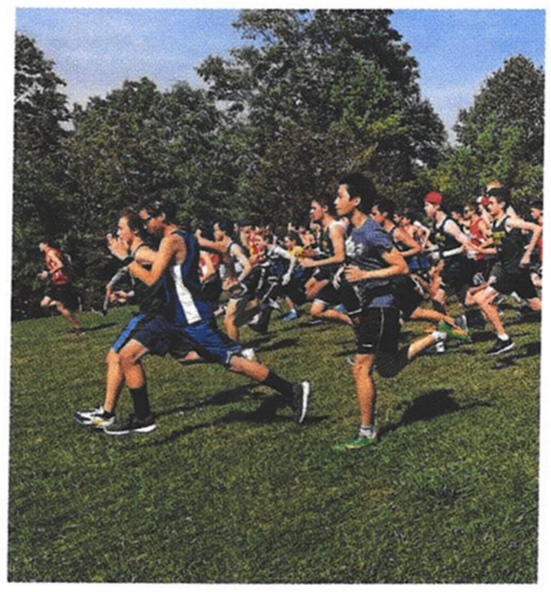
CROSS - COUNTRY







We held our annual Gravity Grinder Cross Country Meet on the last Friday of September at Earl Bales Park. (this year the 27th). Our school's leadership class helps run the meet by handling marshalling, course management and finish and start line duties. This year we had about 600 runners from different schools competing in 3 different races. Once again we had a wonderful time and the course is turning out to be quite a fan favorite since the finish line is at the top of a very steep ski hill...thus the name "Gravity Grinder".

Team Members: Nelson Bayere, Abdullah Shaikh, Tina Le, Kelly Le, Jonathan Trinh, Nathan Cevallos, Mathew Cevallos, Peter Joseph, Chioma Ezeh, Okeri Katjihingua

WILDCATS VS.

WHEN EVERY GROWLIN' AND

On December 19, Westview Athletics, in collaboration with the Student Leadership Council and the Music Department put on a show in front of a packed gym. The inaugural Holiday Buy-Out Classic was played before 200+ staff, students, and community members. They were treated to a show that kicked off with the Westview Band playing live for warm-ups. Then it was on to our friendly rivalry between two greatly respected programs in the GTA basketball community. Head coach David Forrester and his home varsity squad of Wildcats, last year's OFSAA silver medalists up against Ari Hunter and his Crescent Coyotes, who went on to match the performance of our squad this year at OFSAA three months later with a silver medal of their own.

On the way to the final whistle of the game our admin team got a chance to get into the action with a half-time basketball shoot-out with Mr. Caton just about winning the event while doing his best impression of an oversized Elf. The buzz was in the air as Crescent brought their A-game, shooting the lights out in our gym and getting sweet revenge the Wildcats who were able to steal a similar victory the previous year in their gym. Despite our players not having their best game on the floor, it was all smiles in the locker room after the game when they reflected on how supportive and encouraging the home crowd was. The Wildcats did what they do best...play hard and the right way all the way to the end. The Westview Athletic council and the returning players already can't wait for next year's battle when these two clubs square off once again to continue their great rivalry, sportsmanship, and common love for the game of basketball.

I love Westview ! Why is Westview's motto: Nos Omnia Tentemus (Let US attempt all Things !) and coined " Westview is a Hidden Treasure ?"
In a highly stigmatized community at Jane/Finch, Westview has offered a place for a diversity of people to grow, have voice and interact together harmoniously. This was reflected by the hundreds of students, staff and community people who attended to celebrate Westview's 50th Anniversary ... After 35 years at Westview Centennial Secondary School, I have decided to retire! It was a difficult decision but, I think it is the right time. Westview has made me a better person ! It has taught me compassion, equity, inclusivity and understanding. These values are etched in my mind. Most of all, I'd like to thank the students, staff and community for providing me with this opportunity. I will cherish these memories forever and I wish everyone health and happiness!!!!!

Mr. Jeffrey Andrews

Congratulations on your retirement, Ms Orlov.
Ms. Orlov has been a teacher at Westview C. S. S. for more than 25 years. In 2017, she joined the Intensive Support Program team. It was her first time teaching in this program. She came in with her sleeves up and a smile on her face. Her calm and kind approach was just what our students needed. Her integrity, work ethic, strength, and dedication made a difference in our student's lives. She established an environment of trust and familiarity in our class. She cared for the kids and worried about them like if they were her own. Thanks to her hard work, we managed to send our first student ever to post secondary education. He was accepted at Humber College, chosen from a group of 300 students to fill in 30 vacancies.
We will miss you!

Ms. Irina Orlov

Jasmin is a person of integrity, generosity, compassion and humour. She is sought out by staff and students alike. Jasmin is made for Westview. She developed strong relationships with students who received her special brand of honest one on one support. She encouraged students to believe in themselves and always try to become their best. Jasmin built enduring bonds amongst staff as the initiator of many Westview Special Education PotLucks and with her sharp wit that always had us laughing together. I expect to see her performing soon at a "sit down" comedy night. You'll want to be there to fall out of your chair!

Ms. Jasmine Romero

I am very proud to have worked at Westview for thirty years. I have had four drama clubs that have been part of the Sears Drama Festival, where we have won numerous awards. My classes also have performed original fairy tales at Firgrove Elementary School. However, performing pantomimes for our special needs students has been my favorite part of this journey. My proudest moment was performing a Greek Theatre play in the library, while my father sat in the audience. I have a theatre art gallery in downtown Toronto that will keep me busy during my retirement. Westview staff and students will always be family to me. With great love, Mr. Saltzberg, or Mr. Saltie as the students called me.

Mr. Jack Saltzberg

Ms. Fatma Sorefan-Mangou

I am honoured to write a few words about Ms. Sorefan's career, where she dedicated 35 years of her life to teaching. She has made a difference in the lives of her students and I am living proof of that. When I was a student, Ms. Sorefan was my favourite biology teacher. She was calm, patient, and organized. She took the time to listen to the needs of her students and encouraged them to succeed. I was fortunate enough to work with her after graduating. While planning my family, I went to Ms. Sorefan for advice. Again, she took the time to guide me even though I was no longer her student, but a co-worker. As a colleague, she supports and models how to be a successful educator. Her workday started at 8:00 am when sh would do her marking and prepare her lessons before the day began. Congratulations, Ms. Sorefan, on your well-deserved retirement. You are a teacher and mentor to many. Thank you for your time and guidance. I wish you all the best for a happy retirement! Your student and colleague Lili Lin
